

Apply for a licence

Do you want to apply for a project licence to perform animal experiments at Utrecht University or UMC Utrecht? For more information about the procedure and to receive the necessary forms, please [contact us](#).

Forms

The forms are pre-filled by us with some sensitive information about the institute. For that reason they are not published on this website.

It concerns four forms that together form the package for a license application:

- Application form
- Project proposal
- Appendix description of animal experiments
- Non-technical summary (NTS)
